# THE VENUE

Celebrating the thrill and excitement of backyard cricket, Tricky Wicket has reimagined the age-old game for the modern-day cricket lover or fierce competitor no matter the challenge.

Spread across three levels, the whole venue is available to hire for larger groups, or functions looking for a progressive aspect to an event. Four nets in total allow for groups of people to submerge themselves into the game, whilst other guests can enjoy delicious beverages from our three bars.

A lift & stairs make travelling between the levels easy, including reaching the top floor, our rooftop bar a breeze. Also included is a private dining space, perfect for a greenroom, breakout space, or even a beer taste & talk or cocktail making class, meaning there is something for all.

# ROOFTOP BAR

The Rooftop Bar, our most sought after space, is easily accessible by the stairs or lift.

This private space caters to cricket lovers with your own batting net, while having a fully stocked bar and the option for a playlist for guests wanting to just come and celebrate the occasion over a drink or two.

Sliding doors on either side of the space open it up to two separate balconies: offering a smoking & non-smoking option. Cocktail tables & stools also line the space, and a dedicated bathroom means guests will stay together to party on into the night!

Our Mezzanine is the perfect spot for functions wanting jam-packed activities, including kids' parties, corporate workshop days out and end-of-year Christmas parties. Within the space is two private batting nets\*, a dedicated bar, bathrooms\*\* and a TV screen.

Booth seating lines the space with an area in front of the bar for mingling drinks or sit-down dinners in front of the TV screen for any presentations.

\*Both nets are not guaranteed for exclusive use for your event, conditions apply.  
\*\*Public Toilets on this level.

Complete with your own projector screen, guests can chat through presentations, or for special occasions Foxtel is connected – great for a lads day out, bucks & hens parties.

Those looking to add to the experience can also speak to our team to add a net or two afterwards to incorporate the good old game of cricket.

Simply select one of our delicious snacking canapés packages for nibbles, or indulge in a seated feasting menu, and we will take care of the rest!

Located towards the back of the venue on the ground floor and offering a mix of seated and standing spaces, the Platform is the perfect location for more casual get-togethers.

Enjoy a full food and beverage package with the option to add an exclusive waitstaff while you mingle with guests, or head to the main bar directly across from the space for speedy drinks service.

One net is available for your guests to soak up the atmosphere from the venue around you\*.

\*Bet is not exclusively booked for your event, ask staff for details.
